NO: SNEA(I)/Erode SSA/2010/39

dated 05/04/2010.

To

The Circle Secretary,  
SNEA (I), BSNL, Tamilnadu Circle, Chennai.

Dear Comrade,

In Erode SSA, the Sanctioned Strength intimated by you in the last CEC in the cadre of JTOs are 138. As on 31-03-2010, working strength (JTOs and Officiating SDEs put together) is 107. Of the total working strength shown above, strength of **JTOs are 75** and **officiating SDEs are 32**. So the percentage of working strength of JTO/Offtg SDE cadre to sanctioned strength comes to only 76%. Erode SSA consists of totally 120 exchanges which includes 68 rural exchanges. At present in Erode SSA, 135000 landline connections, 17650 broadband connections and 9200 WLL connections are working.

In the present scenario, proposal to transfer in the cadre of JTOs from Erode SSA to other SSAs will make the already burdened work still more difficult. In the list, three people are in officiating SDEs, Sri. V. Jeganathan who stands first in the list whose date of S/A is 30-04-2013 and is just short of 6 days from reaching the age of 57. Also, the second official Sri. Krishnaraju has got punishment of increment cut for one year. All the other three members crossed the age of 55 years. In this position, instead of posting JTOs/Officiating SDEs to Erode SSA additionally, proposal to transfer from Erode SSA will make the situation much worse.

Transfer in the cadre of SDEs show that two SDEs are to be transferred from Tuticorin SSA and in the JTO list, two vacancies are shown for Tuticorin. This itself shows that the proposed transfer by the Circle Administration is not based on 'Need basis' as per the transfer policy.

Hence SNEA(I), Erode is of the opinion that the proposed SSA to SSA transfer in the cadre of JTOs belong to Erode SSA should be canceled as it will add fuel to fire in Erode SSA. Kindly do the needful to stop the proposed transfers.

Comradely yours,

(P.S. Kankesh)
