To

District Secretary,
BSNLEU, Erode SSA.

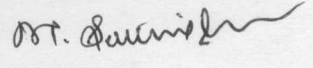

Sub : Press news in Dinakaran daily dated 19/7/2012 – Reg.

We came to browse through the news published in Dinakaran daily dated 19/7/2012 under the heading of “பிளஸ்என்எல் பிராட்பேண்ட் சேவை பாதிப்பு” in page no.16 containing statements which are false and baseless allegations targeting officers. These statements are intended to denigrate the officers' attitude, sincerity and their integrity spoiling their self respect & prestige and damaged BSNL's popular image also. This activity of BSNLEU really brought shocks among our executives and each and every one of our members is in totally agitated mood. Amidst of lot of difficulties to maintain better service to customers, throwing tantrums on executives hiding facts is not augur well for a trade union like yours creating rift between executives and non-executives.

Hence we all unitedly condemning your remarks and demands you to issue statement in the same daily withdrawing your baseless and false allegations against Executives of Erode SSA immediately.
