Sub : Issues and problems in Erode SSA – Reg.

1. Now, the Distribution of Telephone Bills by TMs is not going smooth. Spread over the entire SSA, TMs are refusing to issue Telephone Bills. Because of this, making the telephone bills reaching the customers becomes late thereby creating customers' complaints.
2. Scattered through out Erode SSA, deputing mazdoors for assisting of cable jointing is not done by the Contractors regularly. Even after repeated intimation by Sub Division heads, contractor is reluctant to send mazdoors. To overcome this, tender for attaching mazdoors to SDEs for carrying out cable and line maintenance work may be reinitiated.
3. Provision of TM for NW-Ops wing, Dharapuram.
4. SDE/JTO to MCCC, Erode.-Additional work viz., 3G, EVDO,NIC etc., related works added to the already existing work but with a shortage of staff in the executive cadre.
5. Restoration of Deduction of Subscription from Salary to the Executives.
6. To facilitate testing of BB in SDE HQs other than DE HQs, RSUs in Erode, Nambiyur, Kavindapadi, Chithode, Punjaipuliampatti, Anthiyur, Vellakoil, one service BB connection may be sanctioned.

Time to discuss the above points may be allotted to us at the earliest please.

Yours faithfully,

District Secretary, SNEA(I),  
Erode-1.
