

Comrades

Pay anomaly case of JTOs Batch 2005, 2007 and 2008- As per the CHQ website clarification towards the above subject-The option as per the NEPP to continue in CDA till the date of promotion and then on the date of promotion switched over to IDA pay scale. Clarification sought by Circle office with Corporate office as the NEPP applies only when the promotion is within Non executive cadre. As per Finance wing, since the JTO officiating is from Gr 'C' to Gr'B' Clarification is required from Corporate office.

All other associations are pursuing the above case also. Kindly pursue the case with our CHQ to furnish the exact clarification so that the JTO officiating people- now regular JTOs, will get the benefit.

Comradely yours,
