Sub : Modification of transfer order issued in the cadre of DEs – Reg.

Recently posting orders in the cadre of Looking on DEs released by Erode Administration and points already discussed by our association are taken in to consideration by Erode SSA Administration. We were thankful to the Administration. The orders were in line with the practice followed by the Erode Administration in the past.

But suddenly on 9/5/2013, transfer order issued to Sri. T.R. Arumugam, DE, Gobi and its chain was modified, cancelling the transfer order issued to Sri. T.R. Arumugam. It is not acceptable to us to issue one transfer order and subsequently modifying the same heeding to the requests of others with vested interest creating unrest among our members. It is not correct in posting an incoming DE from Kerala Circle directly to Erode station when requests of two DEs to Erode station were pending.

Hence it is requested that the transfer of Sri T.R. Arumugam to Erode may be restored back posting him at Erode.

Thanking You,

Yours faithfully,

District Secretary, SNEA(I), Erode.
